Remarks

A job transfer has this seller heading out after just one payment—such a rare opportunity to step into a nearly brand-new home! Perfectly located in Plymouth, about a mile from downtown, you can easily walk or bike to all the shops, restaurants, and fun events the area is known for. This better-than-new 2025 construction is truly move-in ready. The open, airy floor plan features a welcoming living room with a cozy gas fireplace, a spacious dining area, and a gourmet kitchen with a large island—perfect for gathering and everyday living. There's also a quiet, tucked-away spot that works beautifully as a home office. Upstairs, you'll find four generously sized bedrooms, including a lovely primary suite with a walk-in closet and a spa-like bathroom that feels like your own private retreat. Quality upgrades throughout the home like modern LVP throughout, smart garage door opener, back door built-in cubbies, upgraded lighting, high-end "smart" appliances, Anderson Windows and so much more. The unfinished basement is ready for your ideas and future living space, and outside you'll appreciate the completed landscaping with sod, sprinklers, a patio, and a privacy fence already in place—just move in and enjoy.
